

SEE THE BIRDMEN FLY!

AT THE GREAT UNION COUNTY FAIR

AUGUST 8 TO 12

5 BIG EVENTFUL DAYS.

At an enormous expense the management of the Union County Fair has contracted for a late model Curtis aeroplane and one of their most skillful and daring performers, Aviator Gratz, who has a world wide reputation. He will make daily flights from the paddox of the fair grounds, beginning Wednesday and continuing Thursday and Friday and possibly Saturday. Be sure and see each flight. Come early.

This attraction costs the Fair Company a large sum of money but from past experience the Company has learned that the people of Union county are satisfied with only the latest and best in the amusement line. And knowing that nothing is too good for our patrons we have at this extra expense added this attraction. Nothing else, however, has been cut and the other ten free attractions will positively be on the grounds as advertised.

SPECIAL TRAIN SERVICE

The Fair Company has arranged with the I. C. Railroad for daily special train service from Dixon to the grounds and return. Also an extra train will be run from Marion Thursday, August 10. On Thursday the North bound passenger will lay over at Morganfield until 6:30, allowing all parties living North of Morganfield the opportunity of staying until six o'clock at the grounds and then returning home that night.

WILL YOU TRY A PLAT OF ALFALFA

If We Will Furnish You the Seed
Without Any Cost to You.
A Liberal Offer.

Would you try a plat of alfalfa if we were to furnish you the seed without any cost to you? A large number of farmers in this county would raise alfalfa, if they knew that it could be grown profitably on their soil. Every farmer who is a reader of this paper, may try a small plat of alfalfa, at our expense. You are to pay nothing for the seed. We send it to you as a present.

We have made arrangements with the Farmer and Stockman of St. Louis, whereby we can offer any of our readers enough alfalfa seed to sow 1-10 of an acre. If this seed grows any your soil is found to yield alfalfa profitable, next year you can grow it as extensively as you desire. You can either buy seed and sow a large plat, or you can save enough seed, from the test plat to increase the acreage.

Send me \$1.50 for the Crittenden Record-Press, the Farmer and Stockman and the People's Popular monthly each one year and we will send you enough alfalfa seed to sow 1-10 of an acre, absolutely free of charge. When you remember that alfalfa seed usually retails for more than \$20 per bushel, you can see how liberal this offer is. We guarantee this seed to be the very best on the market and entirely free from weed and dodder seed.

When you sow it you are sure of having a quality of seed, which will enable you to make a thorough test of your soil. From time to time we will publish articles in our paper on how to prepare the ground and sow the seed to insure a perfect stand of alfalfa. Alfalfa seed should be sown in Kentucky any time between August 1st and September 25th. You should therefore place your order with us at once, and if your time is not out for our paper it won't prevent you from getting the benefit of this offer, we will just move you up one year from your expiration date.

The seed will be mailed direct to you from the Farmer and Stockman in St. Louis, which will insure prompt delivery.

Our paper needs no introduction to the farmers in this county. The Farmer and Stockman is the leading farm and stock paper in the nation. The People's Popular Monthly is one of the best home monthlies in the country.

Send me your subscription at once, you will never have another opportunity like this to get absolutely pure alfalfa seed, free of charge.

Use the coupon below and mail remittance today. Address all orders to S. M. Jenkins, owner, editor and publisher of the Crittenden Record-Press, Marion, Ky.

HERBINE

Is a Powerful Chills Tonic and Liver Regulator.

It puts the liver in healthy, vigorous condition and cures the chills by destroying the disease germs which infest the system. Herbine is a fine antiperiodic medicine, more effective than the syrupy mixtures that sicken the stomach; because it not only kills the disease germs, but acts effectively in the liver, stomach and bowels, thus putting the system in condition to successfully resist the usual third or seventh day return of the chill. Herbine is a cleansing and invigorating medicine for the whole body.
